

**B-Engrossed**  
**Senate Bill 393**

Ordered by the Senate June 11  
Including Senate Amendments dated March 1 and June 11

Sponsored by Senator BENTZ (at the request of Blue Mountain Translator District) (Pre-session filed.)

**SUMMARY**

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Authorizes translator districts to annex cities where cable television corporations operate or have ceased operations and city electors approve annexation.

Permits translator district service fee payors to serve on district board.

Exempts property owned by State of Oregon from district service charges.

**A BILL FOR AN ACT**

1  
2 Relating to translator districts; creating new provisions; and amending ORS 354.625, 354.655 and  
3 354.690.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1.** ORS 354.625 is amended to read:

6 354.625. (1) A translator district may be created as provided by ORS 354.605 to 354.715 for the  
7 construction, maintenance and operation of translator stations and the transmission and reception  
8 of television broadcast signals in areas so remote from regular transmission points that adequate  
9 television programming is not available to the public. The translator transmitting facilities shall  
10 conform to all FCC rules and regulations and shall be prohibited from interfering with all existing  
11 reception facilities, including but not limited to off-air antennas, CATV or MATV.

12 (2) The boundaries of any district organized under ORS 354.605 to 354.715 shall be determined  
13 pursuant to the provisions of ORS 198.720.

14 **(3) Notwithstanding subsection (2) of this section, if a city is entirely surrounded by a**  
15 **district and the city is either served by a cable television corporation or a cable television**  
16 **corporation has ceased operations in the city, the electors of the city may petition, or the**  
17 **district board may decide, to determine whether the city should be annexed into the district.**  
18 **A petition or decision by the board to annex the city into the district must satisfy the re-**  
19 **quirements of ORS 198.705 to 198.845.**

20 **(4) If the question of annexation is authorized to be submitted to electors under ORS**  
21 **198.705 to 198.845, the question shall be submitted to electors of the city at an election called**  
22 **for that purpose under ORS 198.705 to 198.845.**

23 **(5) Following the successful passage of an annexation measure described in subsection**  
24 **(4) of this section, a district need not thereafter again submit the question of annexation to**  
25 **electors of a city within which a cable television corporation again has begun or renewed**  
26 **operations in that city.**

27 **SECTION 1a.** A translator district may not submit a question of annexation described in

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted.  
New sections are in **boldfaced** type.

1 **ORS 354.625 to electors until after December 31, 2020.**

2 **SECTION 2.** ORS 354.655 is amended to read:

3 354.655. (1) The district board shall consist of five members, each of whom shall be an elector  
4 of the district **or a person who pays service charges under ORS 354.690.** The terms of office for  
5 the district board members first elected shall be determined by lot. The terms of two shall expire  
6 June 30 next following the first regular district election and the terms of three shall expire June  
7 30 next following the second regular district election.

8 (2) As soon as possible after the election and the taking of the oath of office by the members,  
9 an organizational meeting shall be held and officers selected. A majority of the members shall con-  
10 stitute a quorum for the transaction of business.

11 (3) Except as provided in subsection (1) of this section, the term of office of each district board  
12 member is four years.

13 (4) The members of the district board shall serve without compensation, but shall be entitled to  
14 receive actual and necessary travel and other expenses incurred in the performance of their duties.

15 (5) The district board shall fill any vacancy on the board in the manner provided in ORS 198.320.

16 **SECTION 3.** ORS 354.690 is amended to read:

17 354.690. (1) When a district broadcasts television signals through a translator on a regular basis  
18 and any property within the district receives those signals, the owner of the property receiving the  
19 signal shall be liable to the district for the service charges.

20 (2) When a district broadcasts television signals through a translator on a regular basis, if any  
21 person residing on or occupying property located in an area entirely surrounded by the district in-  
22 tentionally receives and uses those signals, the owner of that property is liable to the district for  
23 a service charge. The owner of the property shall be deemed to have contracted with the district  
24 for use of the translator signals.

25 (3) The district shall determine which property is receiving the signal, the amount of any service  
26 charge and the method of payment by property owners. The district may classify property outside  
27 and within the district according to the uses of district signals. For property entirely surrounded  
28 by the district, the district shall prepare a verified report which shall disclose that the property has  
29 been physically inspected and that there are reasonable grounds to believe that the property is in-  
30 tentionally receiving and using the signal.

31 (4) The district shall notify each owner of property it has determined is liable for a service  
32 charge at least 30 days prior to imposition of any service charge. The notice shall be by mail and  
33 shall include a written declaration which the owner may verify by signing and return to the district  
34 office stating that the owner is exempt from the service charge for one of the following reasons:

35 (a) The property already receives adequate regional television signals from another source and  
36 is not using district signals;

37 (b) The property is so situated as to preclude use of the signals; or

38 (c) A television is not used on the property and there are no plans to do so.

39 (5)(a) If property outside or within the district is owned, rented or leased by a community an-  
40 tenna television company which carries a district's television signals by cable to subscribers because  
41 of Federal Communications Commission requirements, that property shall be exempt from any dis-  
42 trict service charge.

43 **(b) Property outside or within the district that is owned by the State of Oregon is exempt**  
44 **from any district service charge.**

45 (6) A verified declaration returned to the district under subsection (4) of this section shall ex-

1   empt the property in question and shall be valid for one year from its signing, unless the owner of  
2   the property informs the district of a change of circumstances which should subject the owner to a  
3   service charge.

4       (7) By July 15 of any year, the district shall determine which service charges are delinquent and  
5   shall certify such charges, together with interest at the rate of two-thirds of one percent per month  
6   from the date due, to the assessor of the county in which the property of the person against whom  
7   delinquent service charges are assessed is located. The assessor shall enter the charges and interest  
8   thereon upon the next assessment and tax roll prepared after July 15. The charges and interest,  
9   when entered upon the assessment and tax roll, shall be a charge upon, and lien against, the real  
10  property of the person against whom they are assessed. After the service charges are certified and  
11  presented to the assessor, the payment for the service charges must be made to the tax collector  
12  pursuant to ORS 311.370. Such payment shall be made by the person responsible for the delinquent  
13  service charge or by the television translator district that has received payment for the delinquent  
14  service charge. The charges shall thereupon be collected and paid over in the same manner as other  
15  taxes are certified, assessed, collected and paid over, except that, when the tax collector receives  
16  the assessor's certificate pursuant to ORS 311.115, the tax collector shall deduct 10 percent of the  
17  amount of the delinquent service charges imposed in determining the television translator district's  
18  distribution percentage computed pursuant to ORS 311.390. The amount deducted shall be included  
19  in determining the distribution percentage of the county, in order to defray the costs incurred by  
20  the county in collecting the delinquent service charges.

21       (8) The district board may enter into an agreement with the owner of property that is not within  
22  the district for the payment of service charges for use of the translator signals of the district when:

23       (a) The electors of the district, at an election called for that purpose, have authorized the dis-  
24  trict board to make such agreements; and

25       (b) The property is within a city that is surrounded by the district and is served by a community  
26  antenna system regulated by the Federal Communications Commission.
