Subject: SB 1530: STRONG CLIMATE ACTION TESTIMONY

Dear Chair Dembrow, Vice Chair Olsen and Members of the Senate Interim Committee on Environment and Natural Resources:

I'm a fairly new Oregon resident living in Forest Grove, happy to be represented by legislators working to help resolve the climate emergency. Thank you for your efforts on this issue. I moved here to be with my kids and grandkids, and am extremely concerned about the future they face in light of the potential devastation of global warming.

I hope you will support bold initiatives in the upcoming cap-and-invest bill to limit carbon emissions, and that you will also work to guarantee investments in communities hardest hit by the climate crisis. I'm hoping that Oregon will be one of the states taking the lead in this crucial effort.

Respectfully,

Jane Michaud

Forest Grove, OR
