Rep. Andrea Salinas, Chair  
House Committee on Health Care

**RE: Support HB 4114**

Dear Chair Salinas and Committee Members:

Thank you for the opportunity to submit comments on this bill.

This measure puts in place important protections for people who need renal dialysis treatment. Those protections come in the form of securing access to dialysis treatment and in controlling the cost for this treatment.

The cost of this critical service is a financial burden not just on the state, but on our employer groups and their members. Moda Health supports **HB 4114** because the limits placed on member cost-share in conjunction with bringing reimbursement in line with Medicare rates.

Again, thank you for the opportunity to submit comments. We urge this committee to approve **HB 4114**.

Thank you.

Sincerely,

Jim Francesconi  
Vice President for Public Policy
