Subject: SB 1530 Testimony in support of strong climate action
Date: Thursday, February 6, 2020 12:46:02 PM

My name is Julie Greenough, I am a concerned citizen of Portland, Oregon who wishes to voice my support of SB 1530. Bold climate action is necessary as we are in a climate crisis and the planet cannot sustain the status quo. I am proud to call Oregon home, proud of the progressive actions and concern for the environment that take place here and ask that you keep pushing forward with bold actions to protect our planet in 2020. Thank you for the work you're doing on this most pressing issue.

Sincerely,
Julie Greenough
