Subject: testimony in support of SB 1530
Date: Thursday, February 6, 2020 3:10:59 PM

Dear Senate Committee on Environment & Natural Resources

I am writing to express The Climate Trust's support for SB 1530. The legislation is well designed, includes the appropriate cost containment measures for offsets, while maintaining their environmental integrity, and striking a balance between fiber supply concerns and landowner flexibility to pursue offset projects.

I urge you to pass this bill.

Sincerely
Sheldon Zakreski
Executive Director
The Climate Trust
