NO, NO & NO! Please leave the hard working rural Oregonians alone! This bill is about more taxes. You need to make better use of what we already give you from our taxes, not take more!

- It's simply another way to collect income.,
- If the Legislature won't kill the bill, they should at least take it up in a long session, when it could be fully debated, not the short session.,
- The legislation should be placed on the ballot for voters.,

And lastly - this changes the economic structure of Oregon! Unreal this is even being considered - and still changing - in the short session!,
