Dear Senators!

Just STOP!

A 177 page amendment to SB1530? REALLY?

You aren't even following your own rules to require a 48hrs meeting notice to allow for review and notification to the public. Submitted last night and voting today at 3:00?

Looks like you have decided to double down on the raping of taxpaying Oregonians!!!!!!!

Once again. JUST STOP!

With All Sincerity, With No Respect Anymore,
