1 ment of an Indian child with the Indian child’s extended family and tribal community. The
 2 state recognizes the inherent jurisdiction of Indian tribes to make decisions regarding the
 3 custody of Indian children. The state also recognizes the importance of ensuring that Indian
 4 children and Indian families receive appropriate services to obviate the need to remove an
 5 Indian child from the Indian child’s home and, if removal is necessary and lawful, to effect
 6 the child’s safe return home. Sections 1 to 23 of this 2020 special session Act create addi-
 7 tional safeguards for Indian children to address disproportionate rates of removal, to im-
 8 prove the treatment of and services provided to Indian children and Indian families in the
 9 child welfare system and to ensure that Indian children who must be removed are placed
 10 with Indian families, communities and cultures.

 41 session Act.

42 **SECTION 12. Jurisdiction.** (1) Except as otherwise provided in this section, the juvenile
 43 court's jurisdiction under ORS 419B.100 (1) in a case involving an Indian child is concurrent
 44 with the Indian child's tribe.

45 (2) If an Indian child's tribe is not subject to Public Law 83-280, the tribe has exclusive

1 jurisdiction in a case described in ORS 419B.100 (1) involving an Indian child if:

3 (b) The Indian child resides or is domiciled within the reservation of the tribe.

4 (3)(a) An Indian tribe subject to Public Law 83-280 may limit the juvenile court's exercise
5 of jurisdiction under ORS 419B.100 (1) over an Indian child by entering into a tribal-state
6 agreement described in section 10 of this 2020 special session Act.

7 (b) The juvenile court shall decline to exercise its jurisdiction under ORS 419B.100 (1)
8 over an Indian child who is a ward of a tribal court of the Indian child's tribe, or who resides
9 or is domiciled within the reservation of the tribe, if:

10 (A) The tribe has entered into a tribal-state agreement in which the state has agreed to
11 decline jurisdiction; and

12 (B) The tribal-state agreement provides that the tribe has default jurisdiction over those
13 cases.

14 (c)(A) If the juvenile court declines to exercise its jurisdiction under paragraph (b) of this
15 subsection, the court shall coordinate with the tribal court to facilitate the tribal court's
16 assumption of jurisdiction.

17 (B) The juvenile court shall:

18 (i) Allow the Indian child's parent, Indian custodian or tribe to participate in any com-
19 munications under this subsection with a tribal court or, if the person is unable to partic-
20 ipate in a communication, provide the person with an opportunity to represent facts and
21 legal arguments supporting the person's position before the juvenile court makes a decision
22 regarding jurisdiction;

23 (ii) Create records of any communications under this subsection;

24 (iii) Notify the Indian child's parent, Indian custodian or tribe in advance of each com-
25 munication; and

26 (iv) Provide the Indian child's parent, Indian custodian or tribe with access to the record
27 of the communication.

28 (C) Communications between the juvenile court and a tribal court regarding calendars,
29 court records and similar matters may occur without informing the parties or creating a
30 record of the communications.

31 (D) As used in this paragraph, "record" means information that is inscribed on a tangible
32 medium or that is stored in an electronic or other medium and is retrievable in perceivable
33 form.

34 (4) Notwithstanding subsections (2) and (3) of this section, the juvenile court has tempo-
35 rary exclusive jurisdiction over an Indian child who is taken into protective custody under
36 ORS 419B.150 or 419B.152.

37 **SECTION 13. Motion to transfer to tribal court; objection.** (1) Except as provided in
38 subsection (5) of this section, the juvenile court shall transfer a proceeding under ORS
39 chapter 419B involving an Indian child if, at any time during the proceeding, the Indian
40 child's parent, Indian custodian or tribe petitions the court to transfer the proceeding to the
41 tribal court.

42 (2) Upon receipt of a transfer motion, the juvenile court shall contact the Indian child's
43 tribe and request a timely response regarding whether the tribe intends to decline the
44 transfer.

45 (3) A party may object to the transfer motion on the basis of one of the following:

1 (a) That the Indian child's tribe has declined the transfer;

2 (b) That one or both of the Indian child's parents object to the transfer; or

3 (c) That good cause exists to deny the transfer.

4 (4)(a) If a party objects to the transfer motion for good cause, the court shall fix the time
5 for hearing on objections to the motion.

6 (b) At the hearing, the objecting party has the burden of proof of establishing by clear
7 and convincing evidence that good cause exists to deny the transfer.

8 (c) If the Indian child's tribe contests the assertion that good cause exists to deny the
9 transfer, the court shall give the tribe's argument substantial weight.

10 (d) When making a determination whether good cause exists to deny the transfer motion,
11 the juvenile court may not consider:

12 (A) Whether the proceeding is at an advanced stage;

13 (B) Whether there has been a prior proceeding involving the Indian child in which a
14 transfer motion was not filed;

15 (C) Whether the transfer could affect the placement of the Indian child;

16 (D) The Indian child's cultural connections with the tribe or the tribe's reservation;

17 (E) The socioeconomic conditions of the Indian child's tribe or any negative perception
18 of tribal or United States Bureau of Indian Affairs' social services or judicial systems; or

19 (F) Whether the transfer serves the best interests of the Indian child.

20 (5)(a) The court shall deny the transfer motion if:

21 (A) The tribe declines the transfer orally on the record or in writing;

22 (B) The Indian child's parent objects to the transfer; or

23 (C) The court finds by clear and convincing evidence, after hearing, that good cause ex-
24 ists to deny the transfer.

25 (b) Notwithstanding paragraph (a)(B) of this subsection, the objection of the Indian
26 child's parent does not preclude the transfer if:

27 (A) The objecting parent dies or the objecting parent's parental rights are terminated and
28 have not been reinstated under ORS 419B.532; and

29 (B) The Indian child's remaining parent, Indian custodian or tribe files a new transfer
30 motion subsequent to the death of the objecting parent or the termination of the parental
31 rights of the objecting parent.

32 (6) If the juvenile court denies a transfer under this section, the court shall document
33 the basis for the denial in a written order.

34 **SECTION 14. Transfer.** Upon granting a transfer motion under section 13 of this 2020
35 special session Act, the juvenile court shall expeditiously:

36 (1) Notify the tribal court of the pending dismissal of the proceeding;

37 (2) Transfer all information regarding the proceeding, including but not limited to
38 pleadings and court records, to the tribal court;

39 (3) Direct the Department of Human Services to:

40 (a) Coordinate with the tribal court and the Indian child's tribe to ensure that the
41 transfer of the proceeding and the transfer of custody of the Indian child is accomplished
42 with minimal disruption of services to the Indian child and the Indian child's family; and

43 (b) Provide the Indian child's tribe with documentation related to the Indian child's el-
44 igibility for state and federal assistance and information related to the Indian child's social
45 history, treatment diagnosis and services and other relevant case and service related data;

1 and

2 (4) Dismiss the proceeding upon confirmation from the tribal court that the tribal court
3 received the transferred information.

4
5 (Inquiry; Notice)

6
7 **SECTION 15. Emergency inquiry; inquiry; reason to know child is Indian child.** (1) In an
8 emergency proceeding, the person taking the child into protective custody shall make a good
9 faith effort to determine whether there is reason to know that the child is an Indian child
10 and to contact by telephone, electronic mail, facsimile or other means of immediate com-
11 munication any tribe of which the child is or may be a member to determine the child's af-
12 filiation.

13 (2) Except as provided in subsection (1) of this section, whenever a person is required
14 under ORS chapter 419B to determine whether there is reason to know that a child is an
15 Indian child, if the person has not already determined that the child is an Indian child, the
16 person shall make a good faith effort to determine whether there is reason to know the child
17 is an Indian child, including by consulting with:

18 (a) The child;

19 (b) The child's parent or parents;

20 (c) Any person having custody of the child or with whom the child resides;

21 (d) Extended family members of the child;

22 (e) Any other person who may reasonably be expected to have information regarding the

24 (f) Any Indian tribe of which the child may be a member or of which the child may be
25 eligible for membership.

26 (3)(a) At the commencement of any hearing in which the court is required to inquire
27 whether a child is an Indian child, the court shall ask, on the record, each individual present
28 on the matter whether the individual knows or has reason to know that the child is an Indian
29 child.

30 (b) If no individual in the proceeding knows or has reason to know that the child is an
31 Indian child, the court shall instruct each party to inform the court immediately if the party
32 later receives information that provides reason to know the child is an Indian child.

33 (4) A court has reason to know that a child is an Indian child if:

34 (a) Any individual present in the proceeding, officer of the court involved in the pro-
35 ceeding, Indian tribe, Indian organization or agency informs the court that the child is an
36 Indian child;

2 may be an Indian child; or

3 (h) Any other indicia provided to the court, or within the court's knowledge, indicates
4 that the child is an Indian child.

5 (5) If the court has reason to know the child is an Indian child but the court does not
6 have sufficient evidence to determine whether the child meets the definition of Indian child,
7 the court must:

8 (a) Treat the child as an Indian child until the court determines, on the record, that the
9 child does not meet the definition of an Indian child; and

10 (b) Require the Department of Human Services or another party to submit a report,
11 declaration or testimony on the record that the department or other party used due diligence
12 to identify and work with all of the tribes of which there is reason to know the child may
13 be a member or be eligible for membership to verify whether:

14 (A) The child is a member; or

15 (B) The child is eligible for membership and is the biological child of a member.

16 **SECTION 16. Emergency notification; formal notice.** (1)(a) In an emergency proceeding,
17 if there is reason to know that a child is an Indian child and the nature of the emergency
18 allows, the Department of Human Services must notify by telephone, electronic mail, fac-
19 simile or other means of immediate communication any tribe of which the child is or may
20 be a member.

21 (b) Notification under this subsection must include the basis for the child's removal, the

SECTION 24. ORS 418.627 is amended to read:

418.627. [(1) *The Legislative Assembly finds that in the Indian Child Welfare Act, Public Law 95-608, the United States Congress recognized the special legal status of Indian tribes and their members. This section implements the federal policy of protecting Indian cultures by insuring the placement of Indian children within Indian families or communities, and that as a consequence, the State of Oregon should take the actions provided in subsections (2) to (4) of this section.*]

[(2)] (1) A person providing a foster home to an American Indian child shall be eligible for payments under ORS 418.625 to 418.645 regardless of the relationship by blood or marriage that the person has to the child where the child’s placement in the foster home is pursuant to the Indian Child Welfare Act (25 U.S.C. 1901 et seq.).

[(3)] (2) Certification of a foster home described in subsection [(2)] (1) of this section shall be pursuant to standards set out in an agreement between the Department of Human Services and the tribe of which the child is a member or, if there is no such agreement, certification shall be pursuant to standards adopted by a federally recognized Indian tribe.

[(4)] (3) If subsection [(2) or (3)] (1) or (2) of this section is found to be unconstitutional for any reason, then the entire section shall be null and void.

SECTION 25. ORS 419B.090 is amended to read:

419B.090. (1) The juvenile court is a court of record and exercises jurisdiction as a court of general and equitable jurisdiction and not as a court of limited or inferior jurisdiction. The juvenile court is called “The _____ Court of _____ County, Juvenile Department.”

(2)(a) It is the policy of the State of Oregon to recognize that children are individuals who have legal rights. Among those rights are the right to:

- (A) Permanency with a safe family;
- (B) Freedom from physical, sexual or emotional abuse or exploitation; and
- (C) Freedom from substantial neglect of basic needs.

(b) Parents and guardians have a duty to afford their children the rights listed in paragraph (a) of this subsection. Parents and guardians have a duty to remove any impediment to their ability to perform parental duties that afford these rights to their children. When a parent or guardian fails to fulfill these duties, the juvenile court may determine that it is in the best interests of the child to remove the child from the parent or guardian either temporarily or permanently.

(c) The provisions of this chapter shall be liberally construed to the end that a child coming within the jurisdiction of the court may receive such care, guidance, treatment and control as will lead to the child’s welfare and the protection of the community.

(3) It is the policy of the State of Oregon to safeguard and promote each child’s right to safety, stability and well-being and to safeguard and promote each child’s relationships with parents, siblings, grandparents, other relatives and adults with whom a child develops healthy emotional attachments.

(4) It is the policy of the State of Oregon to guard the liberty interest of parents protected by the Fourteenth Amendment to the United States Constitution and to protect the rights and interests of children, as provided in subsection (2) of this section. The provisions of this chapter shall be construed and applied in compliance with federal constitutional limitations on state action established by the United States Supreme Court with respect to interference with the rights of parents

1 to direct the upbringing of their children, including, but not limited to, the right to:

- 2 (a) Guide the secular and religious education of their children;
- 3 (b) Make health care decisions for their children; and
- 4 (c) Discipline their children.

5 (5) It is the policy of the State of Oregon, in those cases not described as extreme conduct under
 6 ORS 419B.502, to offer appropriate reunification services to parents and guardians to allow them the
 7 opportunity to adjust their circumstances, conduct or conditions to make it possible for the child to
 8 safely return home within a reasonable time. The state shall provide to parents and guardians with
 9 disabilities opportunities to benefit from or participate in reunification services that are equal to
 10 those extended to individuals without disabilities. The state shall provide aids, benefits and services
 11 different from those provided to parents and guardians without disabilities, when necessary to en-
 12 sure that parents and guardians with disabilities are provided with an equal opportunity under this
 13 subsection. Although there is a strong preference that children live in their own homes with their
 14 own families, the state recognizes that it is not always possible or in the best interests of the child
 15 or the public for children who have been abused or neglected to be reunited with their parents or
 16 guardians. In those cases, the State of Oregon has the obligation to create or provide an alternative,
 17 safe and permanent home for the child.

18 *[(6) The State of Oregon recognizes the value of the Indian Child Welfare Act and hereby incor-*
 19 *porates the policies of that Act.]*

20 **(6) It is the policy of the State of Oregon, in a case involving an Indian child, to safeguard**
 21 **and promote the Indian child’s connections with the Indian child’s family, culture and tribe**
 22 **in accordance with the policies regarding Indian children in dependency proceedings under**
 23 **section 1 of this 2020 special session Act.**

9 **(A)** Why it is in the best interests of the child or ward that the child or ward be removed from
 10 the home or continued in care; **and**

11 **(B) If the court determines under paragraph (d) of this subsection that the child or ward**
 12 **is an Indian child, why the Indian child's removal or continuation in care is necessary to**
 13 **prevent imminent physical damage or harm to the Indian child.**

14 *[(e)]* (f) When the court determines that a child or ward shall be removed from the home or
 15 continued in care, the court shall make written findings whether the department made diligent ef-
 16 forts pursuant to ORS 419B.192. The court shall include in its written findings a brief description
 17 of the efforts made by the department.

18 *[(f) The court shall determine whether the child or ward is an Indian child as defined in ORS*
 19 *419A.004 or in the applicable State-Tribal Indian Child Welfare Agreement.]*

20 (g) The court may receive testimony, reports and other evidence without regard to whether the
 21 evidence is admissible under ORS 40.010 to 40.210 and 40.310 to 40.585 if the evidence is relevant
 22 to the determinations and findings required under this section. As used in this paragraph, "relevant
 23 evidence" has the meaning given that term in ORS 40.150.

24 (2) To aid the court in making the written findings required by subsection (1)(a), *[(d) and]* (e)
 25 **or (f)** of this section, the department shall present written documentation to the court outlining:

26 (a) The efforts made to prevent taking the child or ward into protective custody and to provide
 27 services to make it possible for the child or ward to safely return home;

28 (b) The efforts the department made pursuant to ORS 419B.192; *[and]*

29 (c) Why protective custody is in the best interests of the child or ward*[,]*; **and**

30 **(d) If there is reason to know the child or ward is an Indian child, why protective custody**
 31 **is necessary to prevent imminent physical damage or harm to the Indian child.**

32 **(3)(a) The court may not enter an order taking a child or ward into protective custody**
 33 **under this section unless the department provides documentation that the department has**
 34 **made inquiries as required under section 15 of this 2020 special session Act to determine**
 35 **whether there is reason to know the child or ward is an Indian child.**

36 **(b) If there is reason to know that the child or ward is an Indian child, the court may**
 37 **not enter an order taking the child or ward into protective custody unless after holding a**
 38 **hearing the court finds in writing:**

39 **(A) That the department has complied with the notice requirements under section 16 of**
 40 **this 2020 special session Act;**

41 **(B) That removal of the child or ward is in the best interest, as described in section 5**
 42 **of this 2020 special session Act, of the child or ward; and**

43 **(C) That a preponderance of the evidence indicates that protective custody is necessary**
 44 **to prevent imminent physical damage or harm to the child.**

45 **(c)(A) If there is reason to know the child or ward is an Indian child and the court enters**

1 a protective custody order under this section, the order must direct the department to im-
 2 mediately notify the court if new information indicates that the emergency necessitating the
 3 protective custody of the Indian child has changed.

4 (B) Whenever the court receives notice from the department that the emergency neces-
 5 sitating the protective custody of the Indian child has changed, the court shall promptly hold
 6 a hearing under this section to determine whether protective custody continues to be nec-
 7 essary.

8 (C) The court shall immediately terminate the protective custody of an Indian child if the
 9 court determines that protective custody is no longer necessary to prevent imminent phys-
 10 ical damage or harm to the Indian child.

11 (d) If there is reason to know the child or ward is an Indian child, a protective order
 12 under this section may not be continued for more than 30 days unless the court:

13 (A) Has set the case for a hearing on the petition asserting dependency jurisdiction;

14 (B) Determines that restoring the Indian child to the Indian child's parent or Indian
 15 custodian would subject the Indian child to imminent physical damage or harm;

16 (C) Despite diligent efforts, has been unable to transfer the proceeding to the jurisdiction
 17 of the Indian child's tribe; or

18 (D) Has been unable to set the case for a hearing on the petition showing the child or
 19 ward to be within the court's jurisdiction under ORS 419B.100 for a reason other than
 20 scheduling or availability of counsel and the reason has been documented in writing on the
 21 record.

22 **SECTION 32.** ORS 419B.192 is amended to read:

23 419B.192. (1) If the court finds that a child or ward is in need of placement or continuation in
 24 substitute care, there shall be a preference given to placement of the child or ward with relatives
 25 and persons who have a caregiver relationship with the child or ward as defined in ORS 419B.116.
 26 The Department of Human Services shall make diligent efforts to place the child or ward with such
 27 persons and shall report to the court the efforts made by the department to effectuate that place-
 28 ment.

29 (2) If a child or ward in need of placement or continuation in substitute care has a sibling also
 30 in need of placement or continuation in substitute care, the department shall make diligent efforts
 31 to place the siblings together and shall report to the court the efforts made by the department to
 32 carry out the placement, unless the court finds that placement of the siblings together is not in the
 33 best interests of the child or the ward or the child's or the ward's sibling.

34 (3) In attempting to place the child or ward pursuant to subsections (1) and (2) of this section,
 35 the department shall consider, but not be limited to considering, the following:

36 (a) The ability of the person being considered to provide safety for the child or ward, including
 37 a willingness to cooperate with any restrictions placed on contact between the child or ward and
 38 others, and to prevent anyone from influencing the child or ward in regard to the allegations of the
 39 case;

40 (b) The ability of the person being considered to support the efforts of the department to im-
 41 plement the permanent plan for the child or ward;

42 (c) The ability of the person being considered to meet the child or ward's physical, emotional
 43 and educational needs, including the child or ward's need to continue in the same school or educa-
 44 tional placement;

45 (d) Which person has the closest existing personal relationship with the child or ward if more

1 than one person requests to have the child or ward placed with them pursuant to this section; and

2 (e) The ability of the person being considered to provide a placement for the child's or ward's
3 sibling who is also in need of placement or continuation in substitute care.

4 (4) When the court is required to make findings regarding the department's diligent efforts to
5 place a child or ward with relatives or persons with a caregiver relationship under subsection (1)
6 of this section, and the court determines that, contrary to the placement decision of the department,
7 placement with a relative is not in the best interest of the child or ward under ORS 419B.349, the
8 court shall make written findings setting forth the reasons why the court finds that placement of the
9 child or ward with an available relative is not in the best interest of the child.

10 (5) Notwithstanding subsections (1) to [(3)] (4) of this section, in cases where [*the Indian Child*
11 *Welfare Act applies, the placement preferences of the Indian Child Welfare Act shall be followed*] **there**
12 **is reason to know, as described in section 15 of this 2020 special session Act, the child or**
13 **ward is an Indian child, the department shall make diligent efforts to place the child or ward**
14 **according to the placement preferences described in section 23 of this 2020 special session**
15 **Act.**

16 **SECTION 33.** ORS 419B.340 is amended to read:

17 419B.340. (1) If the court awards custody to the Department of Human Services, the court shall
18 include in the disposition order a determination whether the department has made reasonable efforts
19 or, if the [*Indian Child Welfare Act applies*] **ward is an Indian child**, active efforts, **as described**
20 **in section 18 of this 2020 special session Act**, to prevent or eliminate the need for removal of the
21 ward from the home. If the ward has been removed prior to the entry of the order, the order shall
22 also include a determination whether the department has made reasonable or active efforts to make
23 it possible for the ward to safely return home. In making the determination under this subsection,
24 the court shall consider the ward's health and safety the paramount concerns.

25 (2) In support of its determination whether reasonable or active efforts have been made by the
26 department, the court shall enter a brief description of what preventive and reunification efforts
27 were made and why further efforts could or could not have prevented or shortened the separation
28 of the family.

29 (3) When the first contact with the family has occurred during an emergency in which the ward
30 could not remain without jeopardy at home even with reasonable services being provided, the de-
31 partment shall be considered to have made reasonable or active efforts to prevent or eliminate the
32 need for removal.

33 (4) When the court finds that preventive or reunification efforts have not been reasonable or
34 active, but further preventive or reunification efforts could not permit the ward to remain without
35 jeopardy at home, the court may authorize or continue the removal of the ward.

36 (5) If a court determines that one of the following circumstances exist, the juvenile court may
37 make a finding that the department is not required to make reasonable efforts to make it possible
38 for the ward to safely return home:

39 (a) Aggravated circumstances including, but not limited to, the following:

40 (A) The parent by abuse or neglect has caused the death of any child;

41 (B) The parent has attempted, solicited or conspired, as described in ORS 161.405, 161.435 or
42 161.450 or under comparable laws of any jurisdiction, to cause the death of any child;

43 (C) The parent by abuse or neglect has caused serious physical injury to any child;

44 (D) The parent has subjected any child to rape, sodomy or sexual abuse;

45 (E) The parent has subjected any child to intentional starvation or torture;

1 (F) The parent has abandoned the ward as described in ORS 419B.100 (1)(e); or

2 (G) The parent has unlawfully caused the death of the other parent of the ward;

3 (b) The parent has been convicted in any jurisdiction of one of the following crimes:

4 (A) Murder of another child of the parent, which murder would have been an offense under 18
5 U.S.C. 1111(a);

6 (B) Manslaughter in any degree of another child of the parent, which manslaughter would have
7 been an offense under 18 U.S.C. 1112(a);

8 (C) Aiding, abetting, attempting, conspiring or soliciting to commit an offense described in sub-
9 paragraph (A) or (B) of this paragraph; or

10 (D) Felony assault that results in serious physical injury to the ward or another child of the
11 parent; or

12 (c) The parent's rights to another child have been terminated involuntarily.

13 (6) If, pursuant to a determination under subsection (5) of this section, the juvenile court makes
14 a finding that the department is not required to make reasonable efforts to prevent or eliminate the
15 need for removal of the ward from the home or to make it possible for the ward to safely return
16 home, and the department determines that it will not make such efforts, the court shall conduct a
17 permanency hearing as provided in ORS 419B.470 no later than 30 days after the judicial finding
18 under subsection (5) of this section.

19 *[(7) When an Indian child is involved, the department must satisfy the court that active efforts have*
20 *been made to provide remedial services and rehabilitative programs designed to prevent the breakup*
21 *of the Indian family and that these efforts have proven unsuccessful. Foster care placement may not*
22 *be ordered in a proceeding in the absence of a determination, supported by clear and convincing evi-*
23 *dence, including the testimony of expert witnesses, that the continued custody of the Indian child by the*
24 *parent or Indian custodian is likely to result in serious emotional or physical injury to the Indian*
25 *child.]*

29 **SECTION 34.** ORS 419B.305 is amended to read:

30 419B.305. (1) Except as otherwise provided in this section, no later than 60 days after a petition
31 alleging that a child is within the jurisdiction of the court under ORS 419B.100 has been filed, the
32 court shall hold a hearing on the petition and enter an order under ORS 419B.325 (1). Upon written
33 order supported by factual findings of good cause, the court may continue a petition beyond 60 days.

34 **(2)(a) If there is reason to know, as described in section 15 of this 2020 special session**
35 **Act, that the child is an Indian child and if the court found under ORS 419B.185 (3)(b)(C) that**
36 **protective custody is necessary to prevent imminent physical damage or harm to the child,**
37 **no later than 30 days after the petition is filed, the court shall hold the hearing and enter**
38 **the order described in subsection (1) of this section, unless:**

39 **(A) The child has been returned to the child's parent or Indian custodian;**

40 **(B) The court orders the child to be returned to the child's parent or Indian custodian;**

41 **(C) The court continues the protective order regarding the child for more than 30 days**
42 **as provided in ORS 419B.185 (3)(d); or**

43 **(D) The court grants the child's parent, Indian custodian or tribe an extension of time**
44 **to prepare for participation in the hearing under section 16 (5) of this 2020 special session**
45 **Act.**

1 **(b) The court may not schedule a hearing on the petition, or enter an order on the peti-**
 2 **tion, unless the inquiry and notice requirements of sections 15 and 16 of this 2020 special**
 3 **session Act and all relevant timelines have been followed.**

4 [(2)] **(3)** No later than 30 days after a petition alleging jurisdiction under ORS 419B.100 is
 5 filed, all parties shall comply with ORS 419B.881.

6 [(3)] **(4)** When a person denies allegations in the petition, the court shall set the case for a
 7 hearing within the time limits prescribed by subsection (1) of this section. Upon written order sup-
 8 ported by factual findings of good cause, the court may continue the hearing beyond the 60-day time
 9 limit.

10 [(4)] **(5)** Upon expiration of any continuance granted by this section, the court shall give a pe-
 11 tition filed under ORS 419B.100 that is beyond the time limit imposed by subsection (1) of this sec-
 12 tion the highest priority on the court docket.

13 **SECTION 35.** ORS 419B.310 is amended to read:

14 419B.310. (1) The hearing shall be held by the court without a jury and may be continued from
 15 time to time. During the hearing of a case filed pursuant to ORS 419B.100, the court, on its own
 16 motion or upon the motion of a party, may take testimony from any child appearing as a witness
 17 and may exclude the child’s parents and other persons if the court finds such action would be likely
 18 to be in the best interests of the child. However, the court [*shall*] **may** not exclude the attorney for
 19 each party and the testimony shall be reported.

20 (2) Stenographic notes or other report of the hearings shall be taken only when required by the
 21 court.

22 (3)(a) **Except as otherwise provided in this section,** the facts alleged in the petition showing
 23 the child to be within the jurisdiction of the court as provided in ORS 419B.100 (1), unless admitted,
 24 must be established:

25 **(A)** By a preponderance of competent evidence[.]; **or**

26 **(B) If there is reason to know under section 15 of this 2020 special session Act that the**
 27 **child is an Indian child, by clear and convincing competent evidence.**

28 **(b) The evidence under paragraph (a)(B) of this section must:**

29 **(A) Include testimony of one or more qualified expert witnesses under section 17 of this**
 30 **2020 special session Act, demonstrating that the Indian child’s continued custody by the**
 31 **child’s parent or custody by the child’s Indian custodian is likely to result in serious emo-**
 32 **tional or physical damage to the Indian child; and**

33 **(B) Show a causal relationship between the particular conditions in the Indian child’s**
 34 **home and the likelihood that the Indian child’s continued custody by the child’s parent or**
 35 **custody by the child’s Indian custodian will result in serious emotional or physical damage**
 36 **to the particular Indian child who is the subject of the child custody proceeding. Evidence**
 37 **that shows the existence of community or family poverty, isolation, single parenthood,**
 38 **custodian age, crowded or inadequate housing, substance abuse or nonconforming social be-**
 39 **havior does not, by itself, establish a causal relationship as required by this paragraph.**

40 (c) As used in this subsection, “custody” and “continued custody” have the meanings
 41 described in section 3 of this 2020 special session Act.

42 (4)(a) **At any hearing of a case filed pursuant to ORS 419B.100, the court shall determine**
 43 **whether there is reason to know under section 15 of this 2020 special session Act that the**
 44 **child is an Indian child.**

45 **(b) If there is reason to know that the child is an Indian child, the jurisdictional re-**

1 **quirements of section 12 of this 2020 special session Act and ORS 419B.305 must be met be-**
 2 **fore the court may assume jurisdiction of the case.**

3 **SECTION 36.** ORS 419B.325 is amended to read:

4 419B.325. (1) At the termination of the hearing or hearings in the proceeding, the court shall
 5 enter an appropriate order directing the disposition to be made of the case.

6 (2) For the purpose of determining proper disposition of the ward, testimony, reports or other
 7 material relating to the ward’s mental, physical and social history and prognosis may be received
 8 by the court without regard to their competency or relevancy under the rules of evidence.

9 **(3) If there is reason to know under section 15 of this 2020 special session Act that the**
 10 **ward is an Indian child, the court’s order under this section must be in compliance with the**
 11 **placement preferences described in section 23 of this 2020 special session Act.**

12 **SECTION 37.** ORS 419B.331 is amended to read:

13 419B.331. **Except as provided in sections 1 to 23 of this 2020 special session Act,** when the
 14 court determines it would be in the best interest and welfare of a ward, the court may place the
 15 ward under protective supervision. The court may direct that the ward remain in the legal custody
 16 of the ward’s parents or other person with whom the ward is living, or the court may direct that
 17 the ward be placed in the legal custody of some relative or some person maintaining a foster home
 18 approved by the court, or in a child care center or a youth care center authorized to accept the
 19 ward. The court may specify particular requirements to be observed during the protective super-
 20 vision consistent with recognized juvenile court practice, including but not limited to restrictions
 21 on visitation by the ward’s parents, restrictions on the ward’s associates, occupation and activities,
 22 restrictions on and requirements to be observed by the person having the ward’s legal custody, and
 23 requirements for visitation by and consultation with a juvenile counselor or other suitable counse-
 24 lor.

25 **SECTION 38.** ORS 419B.476 is amended to read:

26 419B.476. (1) A permanency hearing shall be conducted in the manner provided in ORS 418.312,
 27 419B.310, 419B.812 to 419B.839 and 419B.908, except that the court may receive testimony and re-
 28 ports as provided in ORS 419B.325.

29 (2) At a permanency hearing the court shall:

30 (a) If the case plan at the time of the hearing is to reunify the family, determine whether the
 31 Department of Human Services has made reasonable efforts or, if [*the Indian Child Welfare Act ap-*
 32 *plies*] **there is reason to know as described in section 15 of this 2020 special session Act that**
 33 **the ward is an Indian child,** active efforts **as described in section 18 of this 2020 special session**
 34 **Act** to make it possible for the ward to safely return home and whether the parent has made suffi-
 35 cient progress to make it possible for the ward to safely return home. In making its determination,
 36 the court shall consider the ward’s health and safety the paramount concerns.

37 (b) If the case plan at the time of the hearing is something other than to reunify the family,
 38 determine whether the department has made reasonable efforts to place the ward in a timely manner
 39 in accordance with the plan, including, if appropriate, reasonable efforts to place the ward through
 40 an interstate placement, and to complete the steps necessary to finalize the permanent placement.

41 (c) If the case plan at the time of the hearing is something other than to reunify the family,
 42 determine whether the department has considered permanent placement options for the ward, in-
 43 cluding, if appropriate, whether the department has considered both permanent in-state placement
 44 options and permanent interstate placement options for the ward.

45 (d) Make the findings of fact under ORS 419B.449 (3).

1 (3) When the ward is 14 years of age or older, in addition to making the determination required
 2 by subsection (2) of this section, at a permanency hearing the court shall review the comprehensive
 3 plan for the ward's transition to successful adulthood and determine and make findings as to:

- 4 (a) Whether the plan is adequate to ensure the ward's transition to successful adulthood;
- 5 (b) Whether the department has offered appropriate services pursuant to the plan; and
- 6 (c) Whether the department has involved the ward in the development of the plan.
- 7 (4) At a permanency hearing the court may:

8 (a) If the case plan changed during the period since the last review by a local citizen review
 9 board or court hearing and a plan to reunify the family was in effect for any part of that period,
 10 determine whether the department has made reasonable efforts or, if [*the Indian Child Welfare Act*
 11 *applies*] **there is reason to know as described in section 15 of this 2020 special session Act that**
 12 **the ward is an Indian child**, active efforts **as described in section 18 of this 2020 special session**
 13 **Act** to make it possible for the ward to safely return home. In making its determination, the court
 14 shall consider the ward's health and safety the paramount concerns;

15 (b) If the case plan changed during the period since the last review by a local citizen review
 16 board or court hearing and a plan other than to reunify the family was in effect for any part of that
 17 period, determine whether the department has made reasonable efforts to place the ward in a timely
 18 manner in accordance with the plan, including, if appropriate, placement of the ward through an
 19 interstate placement, and to complete the steps necessary to finalize the permanent placement;

20 (c) If the court determines that further efforts will make it possible for the ward to safely return
 21 home within a reasonable time, order that the parents participate in specific services for a specific
 22 period of time and make specific progress within that period of time;

23 (d) Determine the adequacy and compliance with the case plan and the case progress report;

24 (e) Review the efforts made by the department to develop the concurrent permanent plan, in-
 25 cluding but not limited to identification of appropriate permanent in-state placement options and
 26 appropriate permanent interstate placement options and, if adoption is the concurrent case plan,
 27 identification and selection of a suitable adoptive placement for the ward;

28 (f) Order the department to develop or expand the case plan or concurrent permanent plan and
 29 provide a case progress report to the court and other parties within 10 days after the permanency
 30 hearing;

31 (g) Order the department or agency to modify the care, placement and supervision of the ward;

32 (h) Order the local citizen review board to review the status of the ward prior to the next court
 33 hearing; or

34 (i) Set another court hearing at a later date.

35 (5) The court shall enter an order within 20 days after the permanency hearing. In addition to
 36 any determinations or orders the court may make under subsection (4) of this section, the order
 37 shall include the following:

38 (a) The court's determinations required under subsections (2) and (3) of this section, including
 39 a brief description of the efforts the department has made with regard to the case plan in effect at
 40 the time of the permanency hearing.

41 (b) The court's determination of the permanency plan for the ward that includes whether and,
 42 if applicable, when:

43 (A) The ward will be returned to the parent;

44 (B) The ward will be placed for adoption, and a petition for termination of parental rights will
 45 be filed;

1 (C) The ward will be referred for establishment of legal guardianship;

2 (D) The ward will be placed with a fit and willing relative; or

3 (E) If the ward is 16 years of age or older, the ward will be placed in another planned permanent
4 living arrangement.

5 (c) If the court determines that the permanency plan for the ward should be to return home
6 because further efforts will make it possible for the ward to safely return home within a reasonable
7 time, the court's determination of the services in which the parents are required to participate, the
8 progress the parents are required to make and the period of time within which the specified progress
9 must be made.

10 (d) If the court determines that the permanency plan for the ward should be adoption, the
11 court's determination of whether one of the circumstances in ORS 419B.498 (2) is applicable.

12 (e) If the court determines that the permanency plan for the ward should be establishment of a
13 legal guardianship, the court's determination of why neither placement with parents nor adoption
14 is appropriate.

15 (f) If the court determines that the permanency plan for a ward should be placement with a fit
16 and willing relative, the court's determination of why placement with the ward's parents, or for
17 adoption, or placement with a legal guardian, is not appropriate.

18 (g) If the court determines that the permanency plan for a ward 16 years of age or older should
19 be another planned permanent living arrangement, the court's determinations:

20 (A) Why another planned permanent living arrangement is in the ward's best interests and a
21 compelling reason, that must be documented by the department, why it would not be in the best
22 interests of the ward to be returned home, placed for adoption, placed with a legal guardian or
23 placed with a fit and willing relative; and

24 (B) That the department has taken steps to ensure that:

25 (i) The ward's substitute care provider is following the reasonable and prudent parent standard;
26 and

27 (ii) The ward has regular, ongoing opportunities to engage in age-appropriate or developmentally
28 appropriate activities, including consultation with the ward in an age-appropriate manner about the
29 opportunities the ward has to participate in the activities.

30 (h) If the current placement is not expected to be permanent, the court's projected timetable for
31 return home or for placement in another planned permanent living arrangement. If the timetable set
32 forth by the court is not met, the department shall promptly notify the court and parties.

33 (i) If **there is reason to know that** an Indian child is involved, the tribal affiliation of the ward.

34 (j) **If there is reason to know that the ward is an Indian child and the court determines**
35 **that the permanency plan for the ward should be something other than to reunify the family,**
36 **the court's determination, by clear and convincing evidence, that:**

37 (A) **Active efforts as described in section 18 of this 2020 special session Act were provided**
38 **to make it possible for the Indian child to safely return home;**

39 (B) **Despite the efforts provided, continued removal of the Indian child is necessary to**
40 **prevent serious emotional or physical damage to the Indian child;**

41 (C) **The parent has not made sufficient progress to make it possible for the Indian child**
42 **to safely return home; and**

43 (D) **The new permanency plan complies with the placement preferences described in**
44 **section 23 of this 2020 special session Act.**

45 [(j)] (k) If the ward has been placed in an interstate placement, the court's determination of

1 whether the interstate placement continues to be appropriate and in the best interests of the ward.

11 (c) **If the court finds that the department did not provide active efforts to make it pos-**

13 **the court may not set a date for a subsequent permanency hearing until the department has**
14 **provided active efforts for the number of days that active efforts were not previously pro-**
15 **vided.**

16 (8) Any final decision of the court made pursuant to the permanency hearing is appealable under
17 ORS 419A.200. On appeal of a final decision of the court under this subsection, the court's finding,
18 if any, under ORS 419B.340 (5) that the department is not required to make reasonable efforts to
19 make it possible for the ward to safely return home is an interlocutory order to which a party may
20 assign error.

 2 dismissal of the petition or one or more of the allegations of the petition, or the court may decline
 3 to render any order until the close of all the evidence.

4 (2) Unless the court in its judgment of dismissal otherwise specifies, a dismissal under this sec-

 7 a settlement conference or, if funds are available for a mediator, mediation.

8 **(4) If there is reason to know that the child or ward is an Indian child, prior to sched-**

 11 **SECTION 43.** ORS 419B.365 is amended to read:

12 419B.365. (1) At any time following establishment of jurisdiction and wardship under ORS
 13 419B.100, but prior to filing of a petition under ORS 419B.500, or after dismissal of a petition filed
 14 under ORS 419B.500 if it fails to result in termination of the parent’s rights, a party, or person
 15 granted rights of limited participation for the purpose of filing a guardianship petition, may file, and
 16 the court may hear, a petition for permanent guardianship. If the Department of Human Services
 17 chooses not to participate in a proceeding initiated by an intervenor under ORS 419B.875, the state
 18 is not foreclosed from filing a subsequent action should the intervenor’s petition be denied.

19 (2) The grounds for granting a permanent guardianship are the same as those for termination
 20 of parental rights.

21 (3) The court shall grant a permanent guardianship if it finds by clear and convincing evidence
 22 that:

23 (a) The grounds cited in the petition are true; and

24 (b) It is in the best interest of the ward that the parent never have physical custody of the ward
 25 but that other parental rights and duties should not be terminated.

26 (4)(a) **Notwithstanding subsection (3) of this section**, if an Indian child is involved, [*the per-*
 27 *manent guardianship must be in compliance with the Indian Child Welfare Act. Notwithstanding sub-*
 28 *section (3) of this section, the facts supporting any finding made to establish a permanent guardianship*
 29 *for an Indian child, including the finding that continued custody by the parents or Indian custodian*
 30 *would result in serious emotional or physical harm to the Indian child, must be established beyond a*
 31 *reasonable doubt.*] **the court may grant the permanent guardianship of the Indian child only:**

32 (A) **If the court has offered the parties the opportunity to participate in mediation as**
 33 **required under ORS 419B.517;**

34 (B) **If requested by the tribe, an agreement is in place that requires the proposed**
 35 **guardian to maintain connection between the Indian child and the Indian child’s tribe; and**

36 (C) **If after inquiry as required under section 15 of this 2020 special session Act and notice**
 37 **as required under section 16 of this 2020 special session Act, and in addition to any other**
 38 **findings required for the termination of parental rights under ORS 419B.500 to 419B.524, the**
 39 **court finds:**

40 (i) **That evidence, including the testimony of one or more qualified expert witnesses un-**
 41 **der section 17 of this 2020 special session Act, establishes beyond a reasonable doubt that the**
 42 **Indian child’s continued custody by the child’s parent or custody by the child’s Indian**
 43 **custodian is likely to result in serious emotional or physical damage to the Indian child;**

44 (ii) **That active efforts under section 18 of this 2020 special session Act to reunite the**
 45 **Indian family did not eliminate the necessity for permanent guardianship based on serious**

1 emotional or physical damage to the Indian child; and

2 (iii) That the placement of the Indian child complies with the placement preferences de-
3 scribed in section 23 of this 2020 special session Act.

4 (b) The evidence under paragraph (a) of this subsection must show a causal relationship
5 between the particular conditions in the Indian child’s home and the likelihood that custody
6 or continued custody of the Indian child will result in serious emotional or physical damage
7 to the particular Indian child who is the subject of the child custody proceeding. Evidence
8 that shows the existence of community or family poverty, isolation, single parenthood,
9 custodian age, crowded or inadequate housing, substance abuse or nonconforming social be-
10 havior does not, by itself, establish a causal relationship as required by this paragraph.

11 (c) As used in this subsection, “custody” and “continued custody” have the meanings
12 described in section 3 of this 2020 special session Act.

13 (5) Unless vacated under ORS 419B.368, a guardianship established under this section continues
14 as long as the ward is subject to the court’s jurisdiction as provided in ORS 419B.328.

15 **SECTION 44.** ORS 419B.366 is amended to read:

16 419B.366. (1) A party, or a person granted rights of limited participation for the purpose of filing
17 a guardianship motion, may file a motion to establish a guardianship. The motion must be in writing
18 and state with particularity the factual and legal grounds for the motion.

19 (2) Except as otherwise provided in subsection (3) of this section, the facts supporting any find-
20 ing made or relief granted under this section must be established by a preponderance of evidence.

21 (3)(a) If there is reason to know, as described in section 15 of this 2020 special session
22 Act, an Indian child is involved, the *[guardianship must be in compliance with the Indian Child*
23 *Welfare Act. The facts supporting any finding made to establish a guardianship for an Indian child,*
24 *including the finding that continued custody by the parents or Indian custodian would result in serious*
25 *emotional or physical harm to the Indian child, must be established by clear and convincing*
26 *evidence.] court may grant the guardianship of the Indian child only:*

27 (A) If the court has offered the parties the opportunity to participate in mediation as
28 required under ORS 419B.517;

29 (B) If requested by the tribe, an agreement is in place that requires the proposed
30 guardian to maintain connection between the Indian child and the Indian child’s tribe; and

31 (C) If after inquiry as required under section 15 of this 2020 special session Act and notice
32 as required under section 16 of this 2020 special session Act, the court finds:

33 (i) Clear and convincing evidence, including the testimony of one or more qualified expert
34 witnesses under section 17 of this 2020 special session Act, that the Indian child’s continued
35 custody by the child’s parent or custody by the child’s Indian custodian is likely to result in
36 serious emotional or physical damage to the Indian child;

37 (ii) That active efforts under section 18 of this 2020 special session Act to reunite the
38 Indian family did not eliminate the necessity for guardianship based on serious emotional or
39 physical damage to the Indian child; and

40 (iii) That the placement of the Indian child complies with the placement preferences as
41 described in section 23 of this 2020 special session Act.

42 (b) The evidence under paragraph (a) of this subsection must show a causal relationship
43 between the particular conditions in the Indian child’s home and the likelihood that custody
44 or continued custody of the Indian child will result in serious emotional or physical damage
45 to the particular Indian child who is the subject of the child custody proceeding. Evidence

1 that shows the existence of community or family poverty, isolation, single parenthood,
2 custodian age, crowded or inadequate housing, substance abuse or nonconforming social be-
3 havior does not, by itself, establish a causal relationship as required by this paragraph.

4 (c) As used in this subsection, “custody” and “continued custody” have the meanings
5 described in section 3 of this 2020 special session Act.

6 (4) In a proceeding under this section, the court may receive testimony and reports as provided
7 in ORS 419B.325.

8 (5) If the court has approved a plan of guardianship under ORS 419B.476, the court may grant
9 the motion for guardianship if the court determines, after a hearing, that:

10 (a) The ward cannot safely return to a parent within a reasonable time;

11 (b) Adoption is not an appropriate plan for the ward;

12 (c) The proposed guardian is suitable to meet the needs of the ward and is willing to accept the
13 duties and authority of a guardian; and

14 (d) Guardianship is in the ward’s best interests. In determining whether guardianship is in the
15 ward’s best interests, the court shall consider the ward’s wishes.

16 (6) Unless vacated pursuant to ORS 419B.368, a guardianship established under this section
17 continues as long as the ward is subject to the court’s jurisdiction as provided in ORS 419B.328.

18 **SECTION 45.** ORS 419B.367 is amended to read:

19 419B.367. (1) Upon granting a motion for guardianship under ORS 419B.366 or upon granting a

4 (d) Within 30 days after receipt of a report made under ORS 419B.440 (1)(b)(C); or

34 the court shall specifically state:

35 (a) Why it is necessary and in the best interests of the ward to continue the ward in the legal

 39 manslaughter of another child of the parent, aiding, abetting, attempting, conspiring or soliciting to
 40 commit murder or voluntary manslaughter of the child or ward or of another child of the parent or
 41 felony assault that has resulted in serious physical injury to the child or ward or to another child
 42 of the parent; or

43 (c) A court of competent jurisdiction has determined that the child or ward is an abandoned
 44 child.

45 (2) The department shall file a petition to terminate the parental rights of a parent in the cir-

1 cumstances described in subsection (1) of this section unless:

2 (a) The child or ward is being cared for by a relative and that placement is intended to be
3 permanent;

4 (b) There is a compelling reason, which is documented in the case plan, for determining that
5 filing such a petition would not be in the best interests of the child or ward. Such compelling rea-
6 sons include, but are not limited to:

7 (A) The parent is successfully participating in services that will make it possible for the child
8 or ward to safely return home within a reasonable time as provided in ORS 419B.476 (5)(c);

9 (B) Another permanent plan is better suited to meet the health and safety needs of the child or
10 ward, including the need to preserve the child's or ward's sibling attachments and relationships; or

11 (C) The court or local citizen review board in a prior hearing or review determined that while
12 the case plan was to reunify the family the department did not make reasonable efforts or, if the
13 *[Indian Child Welfare Act applies]* **child or ward is an Indian child**, active efforts, **as described**
14 **in section 18 of this 2020 special session Act**, to make it possible for the child or ward to safely
15 return home; or

16 (c) The department has not provided to the family of the child or ward, consistent with the time
17 period in the case plan, such services as the department deems necessary for the child or ward to
18 safely return home, if reasonable efforts to make it possible for the child or ward to safely return
19 home are required to be made with respect to the child or ward.

20 (3) No petition to terminate the parental rights of a child or ward's parents pursuant to sub-
21 section (1) of this section or pursuant to ORS 419B.500, 419B.502, 419B.504, 419B.506 or 419B.508
22 may be filed until the court has determined that the permanency plan for the child or ward should
23 be adoption after a permanency hearing pursuant to ORS 419B.476.

24 **SECTION 48.** ORS 419B.500 is amended to read:

25 419B.500. The parental rights of the parents of a ward may be terminated as provided in this
26 section and ORS 419B.502 to 419B.524, only upon a petition filed by the state or the ward for the
27 purpose of freeing the ward for adoption if the court finds it is in the best interest of the ward **or,**
28 **if there is reason to know as described in section 15 of this 2020 special session Act that the**
29 **ward is an Indian child, that continued custody of the ward is likely to result in serious**
30 **emotional or physical harm to the ward.** *[If an Indian child is involved, the termination of parental*
31 *rights must be in compliance with the Indian Child Welfare Act.]* The rights of one parent may be
32 terminated without affecting the rights of the other parent.

33 **SECTION 49.** ORS 419B.521 is amended to read:

34 419B.521. (1) The court shall hold a hearing on the question of terminating the rights of the
35 parent or parents. The court may not hold the hearing any earlier than 10 days after service or final
36 publication of the summons. The facts on the basis of which the rights of the parents are terminated,
37 unless admitted, must be established by clear and convincing evidence and a stenographic or other
38 report authorized by ORS 8.340 shall be taken of the hearing.

39 (2) Not earlier than provided in subsection (1) of this section and not later than six months from
40 the date on which summons for the petition to terminate parental rights is served, the court before
41 which the petition is pending shall hold a hearing on the petition except for good cause shown.
42 When determining whether or not to grant a continuance for good cause, the judge shall take into
43 consideration the age of the child or ward and the potential adverse effect delay may have on the
44 child or ward. The court shall make written findings when granting a continuance.

45 (3) The court, on its own motion or upon the motion of a party, may take testimony from any

1 child appearing as a witness and may exclude the child’s parents and other persons if the court finds
 2 such action would be likely to be in the best interests of the child. However, the court may not
 3 exclude the attorney for each party and any testimony taken under this subsection shall be re-
 4 corded.

5 [(4)] **(4)(a)** Notwithstanding subsection (1) of this section, if an Indian child is involved, termi-
 6 nation of parental rights must be supported by **competent** evidence beyond a reasonable doubt, in-
 7 cluding testimony of qualified expert witnesses, that continued custody of the child is likely to result
 8 in serious emotional or physical harm to the child.

9 **(b) The court may not enter an order terminating parental rights unless:**

10 **(A) The court has offered the parties the opportunity to participate in mediation as re-**
 11 **quired under ORS 419B.517;**

12 **(B) If requested by the tribe, an agreement is in place that requires the Department of**
 13 **Human Services to maintain connection between the Indian child and the Indian child’s tribe;**
 14 **and**

15 **(C) After inquiry as required under section 15 of this 2020 special session Act and notice**
 16 **as required under section 16 of this 2020 special session Act, and in addition to any other**
 17 **findings required under ORS 419B.500 to 419B.524, the court determines:**

18 **(i) That evidence, including the testimony of one or more qualified expert witnesses un-**
 19 **der section 17 of this 2020 special session Act, establishes beyond a reasonable doubt that the**
 20 **Indian child’s continued custody by the child’s parent or custody by the child’s Indian**
 21 **custodian is likely to result in serious emotional or physical damage to the Indian child; and**

22 **(ii) That active efforts under section 18 of this 2020 special session Act to reunite the**
 23 **Indian family did not eliminate the necessity for termination based on serious emotional or**
 24 **physical damage to the Indian child.**

25 **(c) The evidence under this section must show a causal relationship between the partic-**
 26 **ular conditions in the Indian child’s home and the likelihood that custody or continued cus-**
 27 **tody of the Indian child will result in serious emotional or physical damage to the particular**
 28 **Indian child who is the subject of the child custody proceeding. Evidence that shows the ex-**
 29 **istence of community or family poverty, isolation, single parenthood, custodian age, crowded**
 30 **or inadequate housing, substance abuse or nonconforming social behavior does not, by itself,**
 31 **establish a causal relationship as required by this paragraph.**

32 **(d) As used in this subsection, “custody” and “continued custody” have the meanings**
 33 **described in section 3 of this 2020 special session Act.**

34 **SECTION 50.** ORS 419B.529 is amended to read:

35 419B.529. (1) Notwithstanding ORS 109.309, a prospective adoptive parent is not required to file
 36 a petition for adoption when:

37 (a) One of the following has occurred:

38 (A) A juvenile court that is a circuit court has entered an order of permanent commitment of
 39 a ward to the Department of Human Services under ORS 419B.527; or

40 (B) The parent has signed and the department has accepted a release and surrender to the de-
 41 partment, and the parent has signed:

42 (i) A certificate of irrevocability and waiver as provided in ORS 418.270 regarding a child; or

43 (ii) A certificate of waiver under the Indian Child Welfare Act regarding a child;

44 (b) The department has completed a home study as defined in ORS 109.304 that finds the pro-
 45 spective parent is suitable to adopt the child or ward and the department consents to the adoption

1 of the child or ward by the prospective parent;

2 **(c) If the child is an Indian child:**

3 **(A) The department has offered to coordinate mediation between the Indian child’s tribe**
 4 **and the proposed adoptive placement;**

5 **(B) If requested by the tribe, an agreement is in place that requires the proposed**
 6 **adoptive parent to maintain connection between the Indian child and the Indian child’s tribe;**
 7 **and**

8 **(C) If an agreement described in paragraph (c)(B) of this subsection is in place, the de-**
 9 **partment incorporates the terms of the agreement into the placement report;**

10 [(c)] **(d)** Written evidence of [(a)] **the** home study and a placement report requesting the juvenile
 11 court to enter a judgment of adoption have been filed in the juvenile court proceeding; and

12 [(d)] **(e)** At the time the placement report is filed under paragraph [(c)] **(d)** of this subsection,
 13 the prospective adoptive parent files the adoption report form required under ORS 109.400.

14 (2) Notwithstanding subsection (1) of this section, a prospective adoptive parent is required to
 15 file an Adoption Summary and Segregated Information Statement with accompanying exhibits as
 16 provided under ORS 109.317.

17 (3) Notwithstanding ORS 21.135, the clerk of the juvenile court may not charge or collect first
 18 appearance fees for a proceeding under this section.

19 [(4)] **(4)(a)** After the filing of written evidence of a home study and the placement report re-
 20 questing the court to enter a judgment of adoption, the juvenile court that entered the order of
 21 permanent commitment, or the juvenile court having jurisdiction over a ward for whom the depart-
 22 ment has accepted a release and surrender and a certificate signed by the parent as provided in
 23 subsection (1)(a)(B) of this section, may proceed as provided in ORS 109.307 and 109.350 and may
 24 enter a judgment of adoption.

25 **(b) If the child is an Indian child and the Indian child’s tribe has entered into an agree-**
 26 **ment described in subsection (1)(c)(B) of this section, the judgment of adoption must include**
 27 **the terms of the agreement.**

28 (5) Records of adoptions filed and established under this section shall be kept in accordance
 29 with, and are subject to, ORS 109.319.

30 **SECTION 51.** ORS 419B.532 is amended to read:

31 419B.532. (1) As used in this section, “former parent” means a person who was previously the
 32 legal parent of a ward and whose parental rights to the ward have been terminated.

33 (2)(a) In a proceeding under ORS 419B.500, the Department of Human Services or a ward may
 34 file a motion to reinstate the parental rights of a former parent if:

35 (A)(i) The ward has not been adopted; or

36 (ii) The ward was previously adopted but no longer has a legal parent;

37 (B) No legal action to achieve the adoption of the ward has been initiated under ORS 109.309
 38 or 419B.529;

39 (C) At least 18 months have passed since entry of the judgment terminating the former parent’s
 40 parental rights to the ward or, in the event of an appeal, at least six months have passed since is-
 41 suance of an appellate judgment affirming the termination judgment, whichever is later; and

42 (D) Except as provided in paragraph (b) of this subsection, the ward is at least 12 years of age
 43 at the time the motion to reinstate parental rights is filed.

44 (b) If the ward is under 12 years of age at the time the motion to reinstate parental rights is
 45 filed, the court may allow the motion upon a showing of good cause.

1 (3) A motion to reinstate parental rights under this section must be in writing and state with
 2 particularity the factual and legal grounds for the motion.

3 (4) The moving party shall provide a copy of the motion to reinstate parental rights to the for-
 4 mer parent and shall notify the court, the parties and, if [*the Indian Child Welfare Act applies*] **there**
 5 **is reason to know, as described in section 15 of this 2020 special session Act, that the ward**
 6 **is an Indian child**, the tribe that a copy of the motion has been provided.

7 (5) If a motion to reinstate parental rights does not state a prima facie case as to the facts that
 8 must be proved under subsection (6) of this section, the court may deny the motion without a hear-
 9 ing.

10 (6)(a) If a motion to reinstate parental rights states a prima facie case as to the facts that must
 11 be proved under this subsection, the court shall hold a hearing on the merits of the motion. The
 12 court shall grant the motion if the moving party proves by clear and convincing evidence that:

13 (A) The former parent’s conduct and conditions that led to the termination of parental rights
 14 have been ameliorated and the former parent is presently fit;

15 (B) The former parent wishes to have parental rights reinstated;

16 (C) The ward consents to the reinstatement of parental rights; and

17 (D) Reinstatement of parental rights is in the ward’s best interests.

18 (b) In determining whether reinstatement of parental rights is in the ward’s best interests under
 19 paragraph (a) of this subsection, the court shall consider:

20 (A) The ward’s health, safety, permanency, age, maturity and ability to express the ward’s pref-
 21 erences;

22 (B) The reasons that the former parent’s parental rights were terminated;

23 (C) The former parent’s stated reasons for wishing to have parental rights reinstated; and

24 (D) The likely impact on the ward of the former parent’s past abuse or neglect.

25 (c) The moving party shall provide notice to the former parent of a hearing on the merits under
 26 paragraph (a) of this subsection.

27 (d) The department shall establish by rule procedures for investigating the present fitness of the
 28 former parent and for providing appropriate reunification services.

29 (7) If the court grants the motion to reinstate parental rights under subsection (6) of this sec-
 30 tion:

31 (a) The court shall enter an order reinstating parental rights that shall restore all parental
 32 rights and duties of the former parent as to the ward;

33 (b) The ward shall continue as a ward of the court for at least six months after entry of the
 34 order reinstating parental rights; and

35 (c) The court shall conduct a permanency hearing as provided in ORS 419B.470 within 60 days
 36 after entering the order under paragraph (a) of this subsection.

37 (8) An order reinstating parental rights under this section does not vacate or otherwise affect
 38 the validity of the original judgment terminating the parental rights of the former parent except to
 39 the extent that the order reinstates parental rights.

40 (9) In any proceeding under this section, the ward is entitled to have counsel appointed at state
 41 expense if the ward is determined to be financially eligible under the policies, procedures, standards
 42 and guidelines of the Public Defense Services Commission.

43
 44 **(Citizen Review Boards)**
 45

SECTION 52. ORS 419A.116 is amended to read:

419A.116. (1) After reviewing each case, the local citizen review board shall make written findings and recommendations with respect to:

(a) Whether reasonable efforts were made prior to the placement, to prevent or eliminate the need for removal of the child or ward from the home;

(b) If the case plan at the time of the review is to reunify the family, whether the Department of Human Services has made reasonable efforts [*or, if the Indian Child Welfare Act applies, active efforts*] to make it possible for the child or ward to safely return home and whether the parent has made sufficient progress to make it possible for the child or ward to safely return home;

(c) If the case plan at the time of the review is something other than to reunify the family, whether the department has made reasonable efforts to place the child or ward in a timely manner in accordance with the case plan, including, if appropriate, placement of the child or ward through an interstate placement, and to complete the steps necessary to finalize the permanent placement of the child or ward;

(d) The continuing need for and appropriateness of the placement;

(e) Compliance with the case plan;

(f) The progress which has been made toward alleviating the need for placement;

(g) A likely date by which the child or ward may be returned home or placed for adoption;

(h) Other problems, solutions or alternatives the board determines should be explored;

(i) Whether the court should appoint an attorney or other person as special advocate to represent or appear on behalf of the child or ward under ORS 419B.195; [*and*]

(j) For a ward 16 years of age or older with a permanency plan of another planned permanent living arrangement, the steps the department is taking to ensure that:

(A) The ward's substitute care provider is following the reasonable and prudent parent standard; and

(B) The ward has regular, ongoing opportunities to engage in age-appropriate or developmentally appropriate activities, including consultation with the ward in an age-appropriate manner about the opportunities the ward has to participate in the activities[.];

(k) Whether there is reason to know, as described in section 15 of this 2020 special session Act, that the child or ward is an Indian child; and

(L) If there is reason to know the child or ward is an Indian child:

(A) Whether the department made active efforts, as described in section 18 of this 2020 special session Act, to prevent the breakup of the Indian family prior to the child's removal and whether those efforts did not eliminate the necessity for removal based on serious emotional or physical damage to the child;

(B) If the case plan at the time of the review is to reunify the family, whether the department has provided active efforts to make it possible for the child to safely return home, whether active efforts have eliminated the necessity for continued removal based on serious emotional or physical damage to the child and whether the parent has made sufficient progress to make it possible for the child to return home;

(C) If the case plan at the time of review is to reunify the family and the child or ward is placed in a home outside the placement preferences described in section 23 of this 2020 special session Act, whether the department has continued to maintain the relationship of the child or ward with potential adoption preferences or whether the department has continued to search for a permanent placement that satisfies the placement preferences de-

1 **scribed in section 23 of this 2020 special session Act; and**

2 **(D) If the case plan at the time of the review is something other than to reunify the**
 3 **family, whether the department has made active efforts to place the child in a timely manner**
 4 **in accordance with the placement preferences under section 23 of this 2020 special session**
 5 **Act.**

6 (2) The local citizen review board may, if the case plan has changed during the period since the
 7 last review by a local citizen review board or court hearing, make written findings and recommen-
 8 dations with respect to:

9 (a) Whether the Department of Human Services has made reasonable efforts or, if [*the Indian*
 10 *Child Welfare Act applies*] **there is reason to know, as described section 15 of this 2020 special**
 11 **session Act, that the child is an Indian child**, active efforts to make it possible for the child or
 12 ward to safely return home and whether the parent has made sufficient progress to make it possible
 13 for the child or ward to safely return home, if a plan to reunify the family was in effect for any part
 14 of the period since the last review or hearing; or

15 (b) Whether the department has made reasonable efforts to place the child or ward in a timely
 16 manner in accordance with the case plan, including, if appropriate, placement of the child or ward
 17 through an interstate placement, and to complete the steps necessary to finalize the permanent
 18 placement of the child or ward, if a case plan other than to reunify the family was in effect for any
 19 part of the period since the last review or hearing.

20 (3) In determining whether the Department of Human Services has made reasonable efforts or,
 21 if [*the Indian Child Welfare Act applies*] **there is reason to know, as described in section 15 of**
 22 **this 2020 special session Act, that the child is an Indian child**, active efforts to make it possible
 23 for the child or ward to safely return home, the local citizen review board shall consider the child
 24 or ward's health and safety the paramount concerns.

25 (4) No later than 10 days after receiving the findings and recommendations of the local citizen
 26 review board, a party adversely affected by the findings and recommendations may request judicial
 27 review.

28
 29 **(Voluntary Placement)**

30
 31 **SECTION 53.** ORS 418.312 is amended to read:

32 418.312. (1) The Department of Human Services may not require any parent or legal guardian
 33 to transfer legal custody of a child in order to have the child placed in a child-caring agency under
 34 ORS 418.205 to 418.327, 418.470, 418.475, 418.480 to 418.500, 418.950 to 418.970 and 418.992 to 418.998
 35 in a foster home, group home or institutional child care setting, when the sole reason for the
 36 placement is the need to obtain services for the child's emotional, behavioral or mental disorder or
 37 developmental or physical disability. In all such cases, the child shall be placed pursuant to a vol-
 38 untary placement agreement. When a child is placed pursuant to a voluntary placement agreement,
 39 the department shall have responsibility for the child's placement and care.

40 (2) If a child is placed pursuant to a voluntary placement agreement in a qualified residential
 41 treatment program described in ORS 419B.356, the placement is subject to judicial approval under
 42 ORS 419B.360.

43 **(3)(a) If a child is placed pursuant to a voluntary placement agreement and there is**
 44 **reason to know under section 15 of this 2020 special session Act that the child is an Indian**
 45 **child, the placement and voluntary placement agreement must be approved by the juvenile**

1 court.

2 (b) The juvenile court may approve the voluntary placement agreement if:

3 (A) The court finds that the Indian child’s parent or Indian custodian entered into the
4 voluntary placement agreement without a threat of removal by the Department of Human
5 Services or an Oregon licensed adoption agency;

6 (B) The proposed placement conforms with the placement preferences described in sec-
7 tion 23 of this 2020 special session Act;

8 (C) The agreement is executed in writing and filed with the court;

9 (D) The court has explained to the Indian child’s parent or Indian custodian the terms
10 and consequences of the agreement, including that if the Indian child remains in custody for
11 more than 12 months, the juvenile court will hold a permanency hearing which could even-
12 tually result in the termination of parental rights, and that the Indian child’s parent or In-
13 dian custodian may withdraw consent to the agreement at any time prior to an entry of a
14 final decree of termination of parental rights and have the child returned to the parent’s
15 custody; and

16 (E) The juvenile court certifies that the explanation required under paragraph (b)(D) of
17 this subsection was provided in English or, if English is not the primary language of the In-
18 dian child’s parent or Indian custodian, in the primary language of the Indian child’s parent
19 or Indian custodian, and that the explanation was fully understood by the parent or Indian
20 custodian.

21 (c) An Indian child’s parent or Indian custodian may terminate the voluntary placement
22 agreement at any time prior to an entry of an order terminating parental rights. To termi-
23 nate the voluntary placement agreement, the parent or Indian custodian must file a written
24 notice of termination with the court or otherwise testify before the court. The court shall
25 promptly notify the department of the termination and order the immediate return of the
26 Indian child to the physical custody of the Indian child’s parent or Indian custodian.

27 [(3)(a)] (4)(a) If a child remains in voluntary placement for more than 180 days, the juvenile
28 court shall make a judicial determination, within the first 180 days of the placement, that the
29 placement is in the best interests of the child.

30 (b) If a child remains in voluntary placement for more than 12 months, the juvenile court shall
31 hold a permanency hearing as provided in ORS 419B.476 no later than 14 months after the child’s
32 original voluntary placement, and not less frequently than once every 12 months thereafter during
33 the continuation of the child’s original voluntary placement, to determine the future status of the
34 child.

35 [(4)] (5) As used in this section, “voluntary placement agreement” means a binding, written
36 agreement between the department and the parent or legal guardian of a minor child that does not
37 transfer legal custody to the department but that specifies, at a minimum, the legal status of the
38 child and the rights and obligations of the parent or legal guardian, the child and the department
39 while the child is in placement.

40
41 **CONFORMING AMENDMENTS**

42
43 **SECTION 54.** ORS 350.300 is amended to read:

44 350.300. (1) Notwithstanding ORS 341.290, 352.105 or 353.050, a current foster child or former
45 foster child under 25 years of age who is enrolled in courses totaling one or more credit hours at

1 an institution of higher education as an undergraduate student shall have the amount of tuition and
 2 all fees levied against the student waived if attending an institution of higher education for purposes
 3 of pursuing an initial undergraduate degree.

4 (2) A student who is a current foster child or former foster child is entitled to waiver of tuition
 5 and all fees under subsection (1) of this section until the student has received the equivalent of four
 6 years of undergraduate education.

7 (3) As a condition of receiving a tuition waiver for an academic year, a current foster child or
 8 former foster child must complete and submit the Free Application for Federal Student Aid for that
 9 academic year.

10 (4) A waiver of tuition and all fees under subsection (1) of this section may be reduced by the
 11 amount of any federal aid scholarships or grants, an award from the Oregon Opportunity Grant
 12 program established under ORS 348.205 and any other aid received from the institution of higher
 13 education. For the purposes of this subsection, “federal aid scholarships or grants” does not include
 14 Chafee Education and Training Grant vouchers (P.L. 107-133).

15 (5) As used in this section:

16 (a) “Former foster child” means an individual who, for a total of six or more months while be-
 17 tween 14 and 21 years of age, was:

18 (A) A ward of the court pursuant to ORS 419B.100 (1)(b) to (e), in the legal custody of the De-
 19 partment of Human Services for out-of-home placement and not dismissed from care before reaching
 20 16 years of age; or

21 (B) An Indian child subject to [*the Indian Child Welfare Act (25 U.S.C. 1901 et seq.)*] **sections**
 22 **1 to 23 of this 2020 special session Act**, under the jurisdiction of a tribal court for out-of-home
 23 placement and not dismissed from care before reaching 16 years of age.

24 (b) “Institution of higher education” means:

25 (A) A public university listed in ORS 352.002;

26 (B) A community college operated under ORS chapter 341; or

27 (C) The Oregon Health and Science University.

28 **SECTION 55.** ORS 418.595 is amended to read:

29 418.595. (1) In considering what constitutes reasonable or active efforts or whether reasonable
 30 or active efforts have been made under ORS 419B.185, 419B.337, 419B.340, 419B.470, 419B.476,
 31 419B.498 [*and*] **or 419C.173 or section 18 of this 2020 special session Act**, the Department of Hu-
 32 man Services and the juvenile court shall consider whether placement of a child and referral of a
 33 child and the child’s family to a Strengthening, Preserving and Reunifying Families program is or
 34 was in the child’s best interests and the action most likely to prevent or eliminate the need for re-
 35 moval of the child from the child’s home or the action most likely to make it possible for the child
 36 to safely return home.

37 (2) If the department or juvenile court determines that placement of the child and referral of the
 38 child and the child’s family to a program would not prevent or eliminate the need for removal of the
 39 child from the child’s home or be the action most likely to make it possible for the child to safely
 40 return home, the department shall, in any description or documentation of its reasonable or active
 41 efforts, include a written explanation of the reasons why the department did not believe the place-
 42 ment of the child and referral of the child and the child’s family to the program was in the child’s
 43 best interests and the course most likely to prevent placement or effect the return of the child to
 44 the child’s family.

 13 been ameliorated; and

14 (c) The parent is presently able and willing to adequately care for the ward.

 17 subsection, the court shall conduct a hearing:

18 (a) Within 14 days, make written findings required in ORS 419B.185 (1)(a), (d) [*and*], (e) **and (f)**

 42 of the child or ward. If the court finds that informing the parents of the identity and location of the
 43 foster parents of the child or ward is not in the best interest of the child or ward, the court may
 44 order such information deleted from the report before sending the report to the parents. If **there**
 45 **is reason to know, as described in section 15 of this 2020 special session Act, that** an Indian

1 child is involved, the court shall send a copy of the report to the Indian child's tribe as required
 2 by the notice requirements [*of the Indian Child Welfare Act*] **under section 16 of this 2020 special**
 3 **session Act.**

4 **SECTION 60.** ORS 419B.923 is amended to read:

5 419B.923. (1) Except as otherwise provided in this section, on motion and such notice and

 7 it. Reasons for modifying or setting aside an order or judgment include, but are not limited to:

8 (a) Clerical mistakes in judgments, orders or other parts of the record and errors in the order
 9 or judgment arising from oversight or omission. These mistakes and errors may be corrected by the
 10 court at any time on its own motion or on the motion of a party and after notice as the court orders
 11 to all parties who have appeared. During the pendency of an appeal, an order or judgment may be
 12 corrected as provided in subsection (7) of this section.

13 (b) Excusable neglect.

14 (c) Newly discovered evidence that by due diligence could not have been discovered in time to
 15 present it at the hearing from which the order or judgment issued.

16 (2) A motion to modify or set aside an order or judgment or request a new hearing must be
 17 accompanied by an affidavit that states with reasonable particularity the facts and legal basis for
 18 the motion.

19 (3) A motion to modify or set aside an order or judgment must be made within a reasonable time
 20 except no order or judgment pursuant to ORS 419B.527 may be set aside or modified during the
 21 pendency of a proceeding for the adoption of the ward, nor after a petition for adoption has been
 22 granted.

23 (4) Except as provided in subsection (6) of this section, notice and a hearing as provided in ORS
 24 419B.195, 419B.198, 419B.201, 419B.205, 419B.208, 419B.310, 419B.325 and 419B.893 must be provided
 25 in any case when the effect of modifying or setting aside the order or judgment will or may be to
 26 deprive a parent of the legal custody of the child or ward, to place the child or ward in an institu-
 27 tion or agency or to transfer the child or ward from one institution or agency to another. The pro-
 28 visions of this subsection do not apply to a parent whose rights have been terminated under ORS
 29 419B.500 to 419B.524 or whose child has been permanently committed by order or judgment of the
 30 court unless an appeal from the order or judgment is pending.

31 (5) When **there is reason to know, as described in section 15 of this 2020 special session**
 32 **Act, that** an Indian child is involved, notice must be provided as required under [*the Indian Child*
 33 *Welfare Act*] **section 16 of this 2020 special session Act.**

34 (6) Except when the child or ward is an Indian child, notice and a hearing are not required when
 35 the effect of modifying or setting aside the order or judgment will be to transfer the child or ward
 36 from one foster home to another.

37 (7) A motion under subsection (1) of this section may be filed with and decided by the trial court
 38 during the time an appeal from a judgment is pending before an appellate court. The moving party
 39 shall serve a copy of the motion on the appellate court. The moving party shall file a copy of the
 40 trial court's order or judgment in the appellate court within seven days of the date of the trial court
 41 order or judgment. Any necessary modification of the appeal required by the court order or judg-
 42 ment must be pursuant to rule of the appellate court.

43 (8) This section does not limit the inherent power of a court to modify an order or judgment
 44 within a reasonable time or the power of a court to set aside an order or judgment for fraud upon
 45 the court.
